GORDON H RICHARDS

Natural Slate

NATURAL SLATE SPECIALIST SINCE 1934

The Celtas natural roofing slate is produced from quality Grade 'A' rock, formed 400 million years ago, during the Ordovician period, the same time as Welsh Slate.

With a 100 year guarantee the Celtas slate offers you peace of mind that the roof will outlast the life of the building.

Gwnaethpwyd llechi naturiol Celtas o garreg gradd 'A', 400 miliwn o flynyddoedd yn ôl yn ystod cyfnod Ordofigaidd, yr un pryd a'r llechi Cymreig.

Gyda gwarant 100 mlynedd, bydd llechi Celtas yn sicr o gynnig tawelwch meddwl y bydd y to yn parhau y tu hwnt i oes yr adeilad.
